

Application for Intern Architect Mentor Confirmation Form

Name of Applicant (please print)

Date of Application (please print)

Dear SAA Council:

I am pleased to act as Mentor to the above noted Intern applicant for the period of pre-registration and shall endeavor to act as professional advisor conducting reviews and assessments of the practical experience and generally in assisting the Intern in preparing the registration in accordance with the Internship in Architecture Program guidelines.

I understand that at an absolute minimum, I must meet with the Intern prior to the submission of each section of the Canadian Experience Record Book (CERB) when the Intern has accumulated 900-1000 hours (approximately 6 months) of architectural experience, or at each change of employment. I further understand that this minimum is not ideal and that regular contact between submissions will offer the greatest opportunity for the Mentor to assist the Intern and exert a positive influence on his/her development as an Architect.
