Continuing Education Cycle 2014-2016 Update

The two year continuing education (MCE) cycle ended on June 30, 2016. The SAA appointed a Con Ed Audit Committee who has completed the audit in accordance with Section 6.0 of the Con Ed Guide and 3% of member records were audited. Council wishes to advise members that the auditing of member records is now complete. Members having received no communication from the SAA relating to their Con Ed transcript may consider themselves compliant.

Council reminds members to review Section 3.5 Carry Forward of the Guide to Continuing Education for instruction on entry of these hours. Up to 8 core hours and 27 self directed learning activity may be carried forward into the next cycle.

Canadian Healthcare Engineering Society (CHES) Annual Conference

The CHES invites SAA members to it's annual conference.

October 23, 24, and 25

TCU Place, 35 - 22nd Street East, Saskatoon

The CHES is a national professional association representing approximately 1,000 healthcare engineers and associates across Canada.

Three sessions have been approved for SAA Core Credits. [See schedule for details.](#)
