2018 OAA Annual Conference Continuing Education - Call for Presenters

The Ontario Association of Architects invites individuals or organizations to invite presenters to submit proposals for ConEd sessions to be considered for the 2018 OAA Conference: Bold by Design.

OAA Annual Conference
Toronto, May 23 – 25, 2018
Metro Toronto Convention Centre

The OAA Annual Conference is a three-day interdisciplinary forum that brings together Ontario architects, interns, students, engineers, interior designers and other allied professionals. The Conference is comprised of continuing education seminars, workshops, panel presentations, architectural tours, and social events.

For more information, visit the [OAA Conference Archive](#).

BEFORE YOU SUBMIT Please read the [Guidelines and Terms of Presenting](#) before proceeding to the Online Submission Form.

Indigenous Housing Canada 2017 Ideas Competition for Remote Housing Call for Proposals

Competition Format

Three teams will be selected as winners of the Indigenous Housing Competition.

Deadline for submissions: Tuesday, November 14, 2017, 2:00pm CST

For further information see awb-winnipeg.com

Purpose: The purpose of this competition is to raise awareness of Indigenous Housing in Canada and improve opportunities available to design, deliver and maintain housing for remote access Indigenous Canadians.

Background: There are over 600 Indigenous Communities in Canada with over 60 ethnic groups located in diverse landscapes, many with remote access. Current housing is provided by Indigenous Communities or with funding from Canada Mortgage and Housing Corporation and Indigenous and Northern Affairs Canada. Housing demand can exceed supply causing overcrowding.

Location: The location may be any remote access Indigenous Community in Canada not served by year-round all-weather roads. Transportation to communities is currently limited to air, sea lift or temporary winter road during February and March. Winter road width restriction at bridges is 4.9 metres.

Design Portals: The design may be focused on one aspect of housing or comprehensive in its approach by addressing one or up to six design portals and optional keywords identified below:

- VISION – Overall objective, processes how it will be achieved
- PLACE – Response to climate, bioregion, geology, history, development
- SUSTAINABILITY – Use of local materials, labour and energy
- COMMUNITY – Community, culture and family
- GROWTH – Flexibility to adapt for or accommodate growth
- FUNDING - Alternative funding arrangements, partnerships, volunteerism, owner participation

Eligibility: This call for entries is open to designers and non-designers. Multi-disciplinary teams are encouraged.

Awards: The three winning designs will be awarded the following honoraria in Canadian funds:

- First Prize - \$5,000
- Second Prize - \$3,000
- Third Prize - \$2,000
